UNPAID MEAL PROCEDURES for Beatrice Public Schools

Infinite Campus is set to send notices to parents when the child has reached \$10 in their account. Emails are sent from Infinite Campus every day that the account is negative. At \$50 negative – district office sends collections notice to parents. If this notice does not bring resolution, Collection Agency will be contacted to start their process.

CHECK OUT OUR MOBILE APP! Did you know that BPS has an app? Please take a minute and visit your play store to find and download the app today! The app features great common links for everyone. Some of them include: calendar, staff directory, feeds to social media platforms, infinite campus portal, staff links, lunch menus & more!

Notes From Nurse Suzie: If your child has a fever (100.0 F or higher), for any reason, they should not return back to school until they are "fever free" for 24 hours without the use of a fever reducing medication. Do not send your child to school if they wake up with vomiting or diarrhea. When calling the school to report a sick child, please be specific as to their symptoms or diagnosis. This will help us to track any outbreaks at Paddock Lane. It is VERY helpful for parents to call Mrs. Harris when your child will be absent from school.

The school will make contact with parents when your child has not been reported absent.
