Principal's Corner

As we close in on the end of our 2018–2019 school year we would like to thank all of our Paddock Lane families for your support throughout the school year. Family support for our school makes all the difference in the success of our students. Little things like checking bookbags for notes, practicing spelling words, spending time helping your child learn math facts, and reading to or with your child every night demonstrates that you believe education is important and as the first “teacher” of your child you will continue to work with school toward that success. Though the weather has finally warmed and we can spend time outside, we all must remember that the school year is not over yet. We have much to do to complete our school year on a successful note. So students need to keep up the good habits of getting plenty of sleep, keeping up with their school work, and coming to school ready to learn. Our last day of school is Thursday, May 23, with an 11:40 dismissal.

Walk the Track

This year the students and staff will be “Walking the Track” for Special Olympics! We are so proud of the past students and the present students from Paddock Lane that participate as Olympians that we wanted to contribute to this most worthy organization. We have set our goal at \$2,000, but really look to go higher! Plans include selling candy and cookies after school, having a staff–made goodie basket to raffle, and helping customers at Sunrise Bakery on a Saturday morning. We will be sending home information soon (good reason to check those bookbags.) We always love to have parents, grandparents, and other family members join us for this fun–filled day at the House of Orange. Mark your calendars for Monday, May 13, and join in the fun!

Elementary Field Trip Information

Field trips provide students with hands-on experiences as well as an extension of classroom learning activities. We ask parents to abide by the following guidelines should they volunteer to be chaperons on classroom field trips:

- *Limit Cell phone use to emergencies only.
- *Smoking is not permitted during any school activity.
- *Please leave siblings at home as parents are needed to supervise students.
- *All students must ride to and from the activity on the school bus. Parents who chaperon may take their own child home if a written note is provided to the classroom teacher prior to the field trip.

Best Possible Summer

Information has been sent home and sessions can fill up fast. If you have not signed your child up for this awesome “summer camp” please consider doing so. Everyone has a great time learning in a totally “hands on experience!”
