## Message from Coach Johnson:

Wearing appropriate shoes is a part of your child's grade for Physical Education class. I realize that sometimes students may forget to wear the proper shoes. Classroom teachers and myself try to remind students weekly to wear tennis shoes on their P.E. day. If your son or daughter likes to wear shoes other than tennis shoes to school, a suggestion would be to have him or her keep a pair of tennis shoes in their backpack.

## Points from the Principal

- Please contact Mrs. Harris if you would like to sign up for the Parent Portal. This would give you the opportunity to pay for school lunch and/or breakfast on line. You can also view your child's report card and check attendance.
- As required by law, schools must inform parents when children have missed 5 days, 11 days, and 15 days. Law requires school principals to turn over attendance information to the county attorney when a child has missed 20 days of school. Please take the attendance letters seriously should you receive one. School attendance has a direct relationship with academic success. Thank you for your support.
- Thank you for helping us keep our children safe by following the safety rules regarding the buses and not pulling into the new parking lot after school.
- Paddock Lane is fortunate to have an excellent PTO working constantly to provide programs and supports for the children in our school. The PTO meets regularly on the third Monday of the month at 6:30 in the school library. Please join us as we discuss programs and share ideas. The Fall fundraiser will be coming soon, so please be watching for information from our PTO.
